COOPERATION with FABIENNE MEYER, @bbbingss

ART CARPETS: „BINGS“

„For me, art is about shapes, colors and the feelings they evoke in people. Creating something where you can actually touch and feel them is something new for me – I really loved designing these rugs and playing around with various textures to create this special collection. In my artworks interior objects are reoccurring symbols and it just seems fitting to me, that I now actually created an interior piece out of my art.“

Fabienne Meyer aka Bings,
freischaffende Künstlerin
aus Berlin

fand ich schon immer spannend.
Diese Ideen nun als Teppiche zum Leben
erwecken zu können, ist eine ganz neue
und sehr inspirierende Erfahrung für mich.“
